Resources shared during the community engagement workshop

Liegghio, M. & Caragata, L. (2020) COVID-19 and youth living in poverty: The ethical considerations of moving from in-person interviews to a Photovoice using remote methods. *Affilia: Journal of Women and Social Work*. https://doi.org/10.1177/0886109920939051
They make the distinction between procedural and relational ethics. They switch interviews online (and use photo voice) but also draw on Feminist and critical approaches to discuss their own role and responsibilities in their relationships with the participants and subject matter (youths living in low-income households).
